**Step-By-Step Guide to Finding Love That Lasts**

By George Araman

***Find Yourself in One of 8 Dating Character Archetypes and You'll Discover Why Love Has Eluded You -- and What You Must Do to Experience the Magical Grey Dance of Love for a Lifetime***

**Revolutionary Approach to Romance and Relationship Engineering**

Wonder why you're always attracted to Bad Boys or Wild Seductive Women that end in a crash and burn? Or maybe why you are nearly always relegated to "friend" status? Or worse, your relationships always start out with sparks on such a high note and come to a disappointing end?

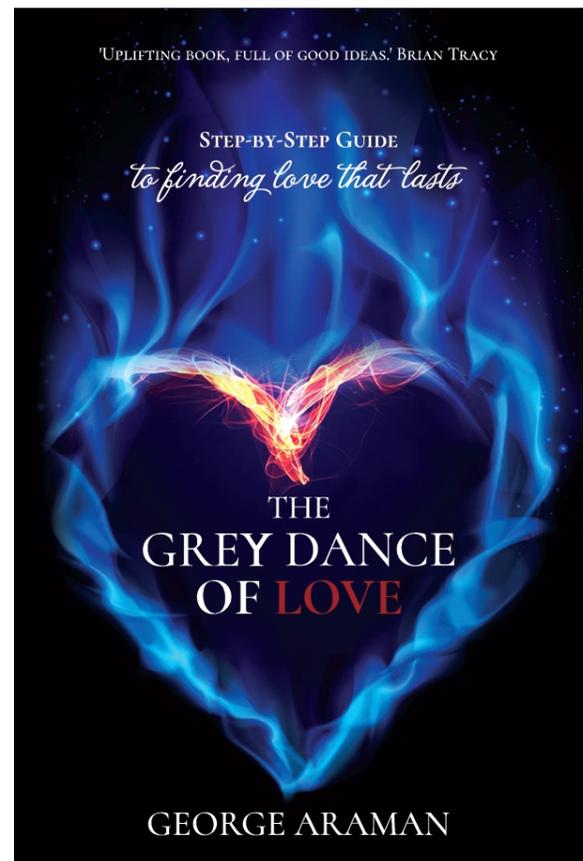

Well, George Araman has some very specific answers for you. George got dumped by a woman he considered his best friend...the last of a series of disheartening relationship journeys. But the frustration he felt made him vow to find out why he kept playing out the same pattern. So 200+ books, 1200+ articles and *months of experimentation* later, he had his answers!

You'll find them in ***The Grey Dance of Love, the Step-by-Step Guide to Finding Love That Lasts***. This very unique approach to romance and relationship engineering is not like any other!

George realized that virtually everyone falls into one of eight dating/relationship character archetypes that he nicknamed Ms. or Mr. Friend Amore, Ms. or Mr. Nice Mirror, Ms. or Mr. Bad Sparks or Ms. or Mr. Grey Dance of Love.

The first six are out of sync with their natural feminine or masculine energy signatures, creating the dissonances that lead to imbalanced relationships. The last two represent the perfect mix of feminine and masculine energies that are in balance with their nature and their cultural influences, and which lead to long-term successful relationships that maintain their spark.

Reading ***Grey Dance of Love***, you will see yourself in one of these characterizations. There is a consistency in what transpires when say a Ms. Friend ends up with a Mr. Bad Sparks (the bad boy)...the result almost always plays out the same as George shows. You will be astonished at how right the scenario is from experiences you've seen in your life.

But the real value of the book is in George's wisdom and guidance moving you from a Mr. Friend to a Mr. Grey Dance, for example, or a Ms .Nice Mirror to a Ms. Grey Dance. He has dissected the elements of attraction—and disattraction-- and shown the path of thinking, behavior and action that will bring you into alignment with your natural energy signature, therefore making you more attractive to the opposite sex and more confident in your own self-regard, self-love and sex appeal. He offers specific directives for individuals of both sexes for their individual relationship character type.

Watch out... thanks to George, you may get off the Friend List! Or stop being drawn to people who are ego driven instead of compassionate and loving. This book is designed to solve all the key relationship problems that stand in the way of true love.

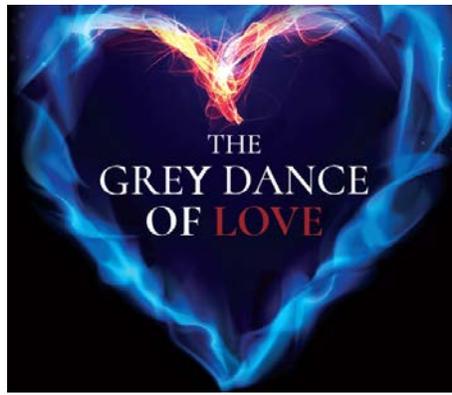

George's goal is to bring you into alignment with yourself and your ideal mate so you can together dance the magical ***Grey Dance of Love***.
